Naming video worksheet.

Give the semi-structural formula and draw the skeletal structural formula

$$\begin{array}{c|c} \text{OH} & \text{OH}_2 \\ \text{CH} & \text{CH}_2 \\ \text{CH} & \text{CH}_2 \\ \text{CH}_3 \\ \end{array}$$

Give the semi-structural formula and draw the skeletal structural formula

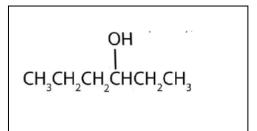

Give the semi-structural formula and draw the skeletal structural formula

Give the semi-structural formula and draw the skeletal structural formula

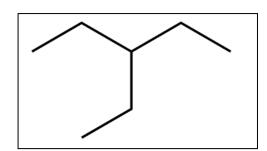

$$CH_3$$
 $CH_3C = CHCH CH_3$
 CH_3

Give the semi-structural formula and draw the skeletal structural formula

Give the name of the molecule and draw the skeletal structural formula

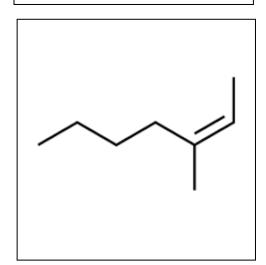

Give the semi-structural formula and name the molecule

Name the molecule and draw the skeletal structural formula

 $CH_3CH_2CH_2COOCH_2CH_3$

Name the molecule and give its semi-structural formula

Name the molecule and give its semi-structural formula
